*Excess Level

The excess will be deducted from the total costs relating to any one life assured during any policy year. For the purposes of this excess definition one policy year means at least a twelve month period has passed since the last excess was deducted by Partners Life for any claim relating to the life assured. Please note that there will be an excess payable on any Major Medical claim where not retailed to a Specialist and Tests claim.

** Employed

As noted in the Private Medical Cover Overview, once children are added as lives assured, they attract the children's premium rate until they are employed or turn 21. You can keep them covered under your policy for as long as you wish, their premiums will simply change to the applicable adult rate once they are employed or reach age 21.

*** 70 Plus

For those wishing to join at the age of 70 or older, please contact info@onemedifund.co.nz

Billing and Payment

You will be invoiced on a monthly basis by UBT New Zealand, and payment will be automatically taken out by Direct Debit authority from UBT.

The fee and excess will be relevant to your age on the policy anniversary date. As you age, your premium and excess level will change according to the applicable pricing bracket.
